Friday, August 19, 2016

Objectives:

1. Set meeting times
2. Breakfast of Lions assignments
3. Project requirements
4. Food drive
5. Senior talk

The Dallas Institute of Lions Club International would like to thank all of our members for being a part of this organization. It has

not been easy getting off of the ground with this club but thanks to our great officers and members, we are really starting to come together. Our shirts have been ordered and we expect them to arrive any day. If you still need to order or pay for a shirt, we ordered extras, but they will sell out fast. They are \$15 a piece...get them while they last.

New meeting times are going to be the first and third Tuesday of every month. The first Tuesday is for the officers only. They will meet, set up the agenda for the third Tuesday meeting for everyone.

Everyone is required to participate in 3 service projects and 4 meetings to receive their cords for graduation.

Membership dues are going to be reworked so that they are paid in full when someone joins or quarterly. Shirts will be part of the package deal and included in the fees.

Last day of the food drive is September 1, 2016. Get the school excited about the project.

Our seniors are about to graduate!! Congrats!!

Recap Corner

Natalie Lloyd received a lapel pin in recognition for her hard work and time volunteered to attend the Lions University in Allen Texas this summer. She was able

to learn a lot about Lions International and share with her fellow Dallas Institute Lions what she learned and how we can make our club better. Thank you Natalie.
