### **PIERCE MORTUARY COLLEGES**

**Dallas Institute of Funeral Service**

## **BIENNIAL REPORT OF INSTITUTIONAL COMPLIANCE WITH THE DRUG – FREE SCHOOLS AND CAMPUSES REGULATIONS**

**Period of Review:**

**July 1, 2021 – June 30, 2023**

### **GENERAL STATEMENT**

Dallas Institute of Funeral Service (DIFS) offers rigorous curriculums that meet accreditation standards and prepare students to become premier funeral service professionals. Dallas Institute of Funeral Service (DIFS) adheres to the Drug-Free Schools and Communities Act Amendments of 1989 (Public Law 101-226), and the Texas House Resolution 2253 and Senate Resolution 645 (passed 1987). Dallas Institute of Funeral Service (DIFS) comply with all regulations pertaining to the Drug-Free Schools and Communities Act (DFSCA) and Part 86 of the Department's General Administrative Regulations for developing and implementing a drug and alcohol abuse education and prevention program. They will uphold all federal, state, and local laws on alcohol and other drugs. They will impose sanctions for violations of the standards of conduct that include all laws as well as student complicity in violations and conduct unbecoming of a Dallas Institute of Funeral Service student. Dallas Institute of Funeral Service (DIFS) strictly prohibits the use of alcohol on campus unless granted an exception to this rule by the campus President and CEO.

### **DRUG AND ALCOHOL PREVENTION PROGRAM (DAAP)**

Dallas Institute of Funeral Service (DIFS) complies with the Drug-Free Schools and Campuses Regulations (EDGAR part 86), by annually distributing to students and employees written documentation regarding the availability of a Drug and Alcohol Awareness Program. Distribution occurs each year, October 1st. For students enrolled or employees hired after this date, the information is provided during new student registration and new employee orientation. The college and local community provide a variety of educational programs and services to respond to the problems associated with alcohol and drug abuse.

DIFS recognizes the college community is not immune to the societal problem of substance abuse. Confidential referrals for counseling, treatment, or rehabilitation are available from the College for students and employees who voluntarily seek such assistance.

An agency is Greater Dallas Council on Alcohol & Drug Abuse, 1349 Empire Central Dr #800., Dallas, Texas 75247, 214-522-8600. In addition, the College can assist in finding other agencies or drug and alcohol material as you may prefer.

## **DALLAS INSTITUTE OF FUNERAL SERVICE DRUG POLICY**

**Dallas Institute of Funeral Service (DIFS) adheres to the Drug-Free Schools and Communities Act Amendments of 1989. They will uphold all federal, state, and local laws on alcohol and other drugs. They will impose sanctions for violations of the standards of conduct that include all laws as well as student complicity in violations and conduct unbecoming of a Pierce Mortuary College student.**

All students and employees are hereby notified that the unlawful manufacture, distribution, dispensing, possession, or use of illicit drugs and alcohol is prohibited on Dallas Institute of Funeral Service (DIFS) campus or property, as is the possession of drug paraphernalia. Any student or employee must notify the school of any criminal drug and/or alcohol statute conviction no later than 5 days after such conviction. Employees must also comply with the Drug-Free Workplace, Drug, and Alcohol policies applicable to them.

### **Violation of Drug and Alcohol Policy**

Intoxication or Negative Behavior Involving Use of Drugs or Alcohol: Identification of a student presumed to be in violation of the Drug and Alcohol policy is based on observable behaviors that may indicate the presence or use of alcohol or drugs. Observable behaviors include but are not limited to: alcohol on the breath, cognitive impairment, slurred speech, motor incapacity, etc. The President or President designee is required to assume impairment and protect the safety and rights of others by having the individual vacate the campus if necessary. The student must then submit to drug testing at the student's expense. If the student's test comes back positive, the student must undergo counseling and/or treatment before returning to the campus. Other penalties may include community service or suspension/termination of enrollment or employment. A student or employee may be suspended or dismissed for a single violation. Furthermore, students or employees may also be subject to additional criminal penalties based on local, state, or federal law.

Other Violations of Drug and Alcohol Policy (manufacture, distribution, etc.): Depending on the situation, penalties could include counseling and/or treatment before returning to campus, community service, or suspension/termination of enrollment or employment. A student or employee may be suspended or dismissed for a single violation. Furthermore, students or employees may also be subject to additional criminal penalties based on local, state, or federal law.

### **Surgeon General Warning**

According to the Surgeon General, women who drink or take drugs during pregnancy risk birth defects. Consumption of drugs and alcohol impairs your ability to drive a vehicle or operate machinery and may cause health problems such as memory impairment or lack of sound judgement. It could form grounds for termination of enrollment, loss of financial aid or employment.

### **Alcohol Use and Effects**

Alcohol consumption can cause marked changes in behavior, even in low doses, which include the inability to drive, accidents, aggression, and abuse. High doses can lead to personality disorders, inability to learn, illness, and death. Repeated use of alcohol leads to dependence. Withdrawal can produce depression, anxiety, tremors, hallucinations, convulsions, and damage to major body organs. Mothers who drink during pregnancy may give birth to infants with fetal alcohol syndrome, including abnormalities and retardation. These children are also at risk of becoming alcoholics.

### **Drug Use and Effects**

According to the National Institute on Drug Abuse, a variety of significant health risks are associated with the use of illicit drugs. Health risks associated with the use of illicit drugs and the abuse of alcohol including organic damage, impairment of brain activity, digestion, blood circulation, impairment of physiological

processes and mental functioning, and physical and psychological dependence. Such use during pregnancy may cause spontaneous abortion, various birth defects or fetal alcohol syndrome. Additionally, the illicit use of drugs increases the risk of contracting hepatitis, AIDS and other infections. If used excessively, the use of alcohol or drugs singularly or in certain combinations may cause death.

### **Applicable Laws**

- Dallas Institute of Funeral Service (DIFS) will uphold all federal, state, and local laws regarding alcohol and other drugs. The following excerpts are from federal and State of Texas laws regarding the unlawful possession, use, or distribution of illicit drugs, including alcohol, are not all-inclusive, may not read in the exact manner of the laws, and are not to be relied upon as legal advice or guidance.
- It is unlawful for any person under the age of twenty-one (21) to buy, possess, transport, or consume alcoholic beverages, wine, or beer. Sale of alcohol to minors is also prohibited. Such offenses are punishable by imprisonment of up to one year and a fine of \$500 to \$1,000.

### **Federal and State Penalties for Illegal Sale and Possession of a Controlled Substance**

Federal Law prohibits, among other things, the manufacturing, distributing, selling, and possession of controlled substances as outlined in 21 U.S.C., §§ 801 through 971. Depending on the amount, first offense maximum penalties for trafficking marijuana range from five years' imprisonment and a fine of \$250,000 to imprisonment for life and a fine of \$5,000,00. Depending on the amount of the first offense, maximum penalties for trafficking other controlled substances (e.g., methamphetamine, heroin, cocaine, cocaine base, PSD, LSD, fentanyl, and fentanyl analogue) range from five years to life imprisonment and fines of up to \$10,000,00. First offense penalties for illegal possession of controlled substance range from up to one year in prison or a fine of at least \$1,000.

The State of Texas and the City of Dallas may also have laws that apply to drugs and alcohol. Possible maximum penalties for the possession, manufacture, or delivery of controlled substances (drugs) are a life term of 20 to 99 years with the Texas Department of Corrections, and a fine up to \$500,000. Federal penalties are life imprisonment (no parole) and a fine up to \$8,000,000 (individual).

### **Addiction/Recovery Resources**

Dallas Institute of Funeral Service (DIFS) encourages students and employees to educate themselves, seek counseling or seek treatment. The following are resources available to students and employees in the community:

Dallas Institute of Funeral Service (DIFS) are committed to compliance with all federal laws that impact its students' eligibility for financial aid, and it follows them as directed.

## **General Assessment**

Dallas Institute of Funeral Service (DIFS) foster a drug and alcohol-free environment.

## **RECOMMENDATIONS**

RECOMMENDATION: DIFS will continue efforts to include drug and alcohol prevention principles during orientation.

RECOMMENDATION: Continually assess drug and alcohol use and perceptions on other college campuses and determine whether such should prompt surveys and data collection for the same on DIFS's campus.

RECOMMENDATION: Continue maintaining the Student Handbook to provide information in critical areas.

## **CERTIFICATION OF REVIEW PROCESS**

Under The Drug-Free Schools and Campuses Act, Dallas Institute of Funeral Service reviewed the strengths and weaknesses of the programs in place to ensure college compliance with the Drug-Free Schools and Communities Act and Amendment, 1989/ Drug-Free Workplace Act, 1988. The review of policy documents noted the following:

1. DIFS appears to comply with the Act and has an adequate policy in place.
2. The college distributes its alcohol and drug policy to all employees and students through the handbook upon enrollment.
3. The biennial review of college drug prevention programs and policy is now conducted at the conclusion of each biennial period. This report covers July 1,2021 through June 30, 2023. The review is designed to ensure effectiveness of the policy and the programs which are in place as well as to recommend measures which can be implemented to ensure that the programs are effective.
4. The review process evaluated whether disciplinary actions taken during the biennial period were consistent with DIFS policy to ensure that sanctions are consistent and utilized. DIFS has had no reported issues.
5. DIFS tracks the number of drug and alcohol related offenses that occur on campus. Statistics are gathered without disclosing the names of those involved in compliance with the students' FERPA rights.
6. The President has reviewed and signed this report.

This report reflects an accurate review of the policies, programs, and review process in effect at DIFS for the review period of July 1,2021 through June 30, 2023.

CERTIFICATION OF ADOPTION AND ACCEPTANCE

The Dallas Institute of Funeral Service President supports the drug and alcohol policies of DIFS and encourages employees and students who may have difficulties with these issues to seek assistance through appropriate channels.
